Herbal Surge™ • Escalation™

What would you do if you had more energy?

With enough energy, you could keep your eyes open at morning meetings. You could stick with projects from start to finish. After work, you could hit the gym, pick up groceries, cook supper, play with your children, and sit down with your calculator to solve our country's budget crisis.

Okay, maybe your wealth of energy won't end the national deficit. But it will help you do the things you want to do. If fatigue is keeping you from living your life to the fullest, take advantage of natural products that will unlock your inner vitality.

Herbal Surge™, No. 2075 Guaranteed energy boost

Lehning Laboratories' Herbal Surge™ is a homeopathic remedy that relieves fatigue due to hard work, physical activities, and minor illness Herbal Surge works with your body to give

"Herbal Surge is remarkably effective in elevating energy levels, even in severe cases of fatigue."

Avena sativa 1x—Relieves minor

- Podophyllum peltatum 3x— Alleviates fatigue.
- Rhamnus frangula 2x-Relieves general weariness

Michael T. Murray, N.D., Enzymatic Therapy's Director of Research, says, "Herbal Surge is remarkably effective in elevating energy levels, even in severe cases of fatigue."

When you try Herbal Surge, you'll find that it effectively and gently restores your natural vitality.

Escalation™, No. 821 P.S.E. Energy to burn

Escalation™, a natural stimulant, will activity levels. This herbal formula people working long or late hours, and anyone else who needs a quick

than the sum of its parts), so you get maximum value and an energy lift you can count on.

Escalation is especially popular among dieters because it helps them maintain high activity levels as they reduce their calorie intake. In fact, Escalation has always been one of our top-selling products.

"I have found Escalation to be of particular value in helping me maintain a high energy level during my workouts without any 'jag' or 'wired' feeling.... Escalation allows me to achieve my natural peak potential without a 'letdown' or feeling of fatigue after the product has run its course. It is an excellent product."
